**MAX weight:**
136kg/300lbs
2 Hold two opposing legs on the front and back of the chair.

3 Push the opposing legs away from one another as shown.

4 Attach the foot rest clips to the chair.

5 Adjust the foot rest level as required.

Storage pouches can be found on the right side of the chair.
6. Move the front legs of the chair. Locate the screw in foot rest attachments.

7. Unscrew the foot rest attachment and remove from both front legs of the chair.

8. Detach the foot rest clips and remove the foot rest.
